

Dear Sir,

With reference to discussion held at your Indore office in pre bid meeting regarding tender no CMD/WZ/06/PUR/449 , we request you to extend the date of submission by a week since tender document is only made available on 1st of july only. It will allow us time to prepare for the same.

We also have queries and suggestion regarding aforementioned tender which are mentioned below:

1. Bank Guarantee asked is 3 lacks per machine. As we are unaware of trend of transactions on ATBP in Indore and Ujjain, Initial bank guarantee should be Rs. One Lakh and then should be reviewed after 6 months.
2. Kindly clarify term “**VAT Clearance Certificate in currency**” in page no 9 annex. 2.2 /ii. As we are not into trading/manufacturing activities and are in service industry we have service tax no which can be provided.
3. Whether ATBP will be allowed to take LT, streetlight bills also
4. Whether ATBP will take inter sub division bills also.
5. Whether RMS is same as poorva kshetra or there is any deviation in terms of architecture/features
6. Will ATBP will work online or in offline mode.
7. If online, What will be mode of communication provided.
8. As minimum wages are being revised frequently and significantly, clause on revision of pricing linked to increase in minimum wages should be there.
9. In technical specification, Through the wall machines were required. We suggest that since through the wall machines requires civil work and construction at site and also requires bigger space to be installed, we can offer you lobby model machines which requires less space and almost no civil construction at sites. Also these machines are easy to shift.
